

Pupil Premium 2012/13

The pupil premium funding for 2012/2013 is £3,000. During the academic year there have been more pupils eligible for pupil premium. The £3,000 funding is not enough to cover the needs of all children so the school has subsidised the short fall.

Intervention

The pupil premium has been used to fund:

- Parent Support Advisor
- One to one tuition
- Booster lessons
- Individual TA support
- Small group work with TA
- Residential visits

Impact

All pupils eligible for pupil premium made good or accelerated progress by the end of 2013.
