Sing along

Class 2 took part in a fantastic singing workshop last week with Matt Douglas from the Roseland. They had great fun and learnt new singing techniques as well as a song. Year 6 shared the song they learnt on the Yr 6 transition day at the Roseland this week.

Sports Day fun

It was brilliant to actually have the sun shining for our sports day last week! The children took part with great sportsmanship, despite it being extremely hot. A big well done to Trelawney for being the winning house. Thank you to Mrs Crinks and all the staff and helpers for making it a fantastic afternoon.

Out with the old and in with the new

Our Year 6 children visited the Roseland on Tuesday as part of their transition. They had a successful day making new friends and enjoyed sampling a selection of new lessons with new teachers. Also in school that day we welcomed our new reception children and parents and they all seem to be very settled already. Year 2 had a session in Class 2 so big changes for many of the children.

Well done Matthew

Matthew Hill took part in the Cornwall School Games Regatta on Wednesday. He competed in 3 races against 20 schools coming 4th overall. Matthew said, "It was really tough, each race was so exciting with fierce competition. I feel proud to have come 4th overall". A huge well done for a fantastic performance.

Local Heroes Art/Dance Project at Caerhays Castle

On Thursday 13th July, Class 2 will be joining the other Aspire schools for a special outdoor dance/art extravaganza. We have been working with artists Alexandra Ausenda and Lauren Syrett to produce our contribution to the show, this will be an afternoon performance not to be missed! A letter with details of the day will follow soon.
