## Animals galore

Class 1 had a visit from a vet nurse last week as part of their topic The Circle of Life. She talked about all the jobs she had to do as a vet nurse including giving medicines and taking x rays. The children were fascinated and thoroughly enjoyed the visit.

## Taster day

Our year 5 children had the opportunity to attend a taster day at The Roseland. The teachers remarked how polite the children were and how they engaged with all the activities. It was a fun introduction to The Roseland School curriculum.

# Elbows off the table, hands in laps

Class 2 experienced exactly what it would be like to attend school in Victorian times. They had a day of handwriting on slates, bible studies, drill, housekeeping, woodwork and technical drawing. Thank you to Mrs Macklin for being the most amazing inspector! Yumi said of the day, "it was very strict and quiet". Evie commented, "it felt serious and strange that the boys and girls were separated" and Lily said, "scrubbing the steps was like being a slave!" There will be a film of the day shared on the open afternoon.

## TRLC Year 5 Aspire games

Year 5 attended the annual aspire games this week at Par Athletics Track. They represented different countries which allowed the children to mix with other schools and make new friends. They competed in sprint, long distance, throwing and standing long jump. The behaviour of the children was outstanding and there was a special thank you from the organisers for Rachel Gray who took on the responsibility of scoring the whole event.
