PSHE (Personal, Social and Health Education)

- Staying safe around school
- Empathy related to other cultures
- Fair and unfair
- Recycling clothes to help others
- People who help us
- Recipe for friendship

Year 1 and 2 Curriculum Overview Spring 2 2019

The curriculum outlined in this leaflet is set out under National Curriculum Subject areas. However, our aim is to try and link subject areas together and teach the children in a cross-curricular way, this makes the learning more meaningful. For example, the children may be doing a piece of Literacy writing which relates to a historical topic or they may be making Rangoli patterns in Art/DT which relates to their RE learning. Year 1 and 2 follow a responsive curriculum which may alter throughout the term according to their thoughts and ideas.

Maths

- Reading numbers beyond 20 (YR1) beyond 100 (YR2)
- Multiplying by 2, 5 and 10
