Welcome Back

* Happy New Year! It has been lovely to see the children back this term, *
* keen and ready to learn. We hope you all had a wonderful holiday and the *
* miserable wet weather didn't dampen the spirits too much! *

Holiday requests

* We are having a significant number of holiday requests which is causing us great concern. A *
* child needs to be in school to learn and doing homework with them while they are away is *
* helpful but by no means a substitute. Not only does your child miss out on what is being *
* done in the classroom, the whole class are affected on their return as the teacher needs to *
* spend time ensuring they get 'up to speed' with what has been missed. So far this academic *
* year we have had 25 requests for holidays which amount to a total of 173 missed school *
* days. Please work with us to reduce this. Whilst we appreciate that some requests are for *
* exceptional circumstances, the majority are not so we need to work really hard to reduce *
* this. *
