

Year 1 and 2 Curriculum Overview Autumn 1 2017

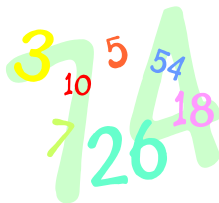

The topic for Year 1 and 2 this term is 'Toy Story'. The curriculum outlined in this leaflet is set out under National Curriculum Subject areas. However, our aim is to try and link subject areas together and teach the children in a cross-curricular way, this makes the learning more meaningful.

For example, the children may be doing a piece of writing which relates to their Science learning or they may be doing some art work which relates to their topic. Year 1 and 2 follow a responsive curriculum which may alter throughout the term according to their thoughts and ideas.

Mathematics

- Numbers that are special to me (YR1)
- Estimating and counting forwards and backwards to 100 (YR1)
- Ordering numbers 1-20 then 1-100 (YR1) and using < > symbols (YR2)
