

PTA NOTICE

Save the PTA

The current PTA have all decided it is time to step down and feel it is time to hand over the reins to some new faces with new ideas!

We would like to take this opportunity to thank each of the PTA members who have given up their time over the past 2-5 years!

The current PTA members have managed to fit in meetings and events around working and family life not to mention other activities, which has been challenging getting us all together at times!

We have run the committee on very low numbers for a long time and we are no longer able to continue.

We are encouraging you as parents to step up and join the committee to prevent it from

folding and from the children and your bank balance suffering! The PTA contributes a lot towards activities and others things that reduces the cost the parents have to contribute.

It is a vital resource to the school so please do not let it collapse because you feel you do not have the time to commit, any help is welcome.

All roles are required; Chairperson, Secretary, Treasurer and committee members.

This does not take up as much time as you would imagine, for the sake of our children please take your turn even if it is only for one year, who knows you may enjoy it, we have!
