NSPCC visit

The NSPCC came to school this week to deliver an assembly to the whole school and a workshop to Year 5 and 6. Michelle brought Buddy, the NSPCC's speech bubble mascot for children speaking out, being heard and staying safe. The children learnt how to manage any worries by talking to a trusted adult either inside or outside of school and to remember that Childline are always available for children to talk to on 0800 1111.

Remembrance Day

We are selling poppy products in school for the British Legion so it would be great if your child/children could bring in a donation for this worthwhile charity.

Parent/teacher consultations

Don't forget that parent/teacher consultations are being held in school on Tuesday 5th November. If you haven't received your appointment slip then please let Dee know in the office.

Online Safety

In an ever-changing world of technology we are constantly reminding the children in school about how to keep themselves safe online. I am sure you are aware that the minimum age to sign up for Facebook is 13 years old; and it is set at that age for a reason. Please work with us to ensure your child/children stay safe online by not allowing them to have a Facebook account until the age of 13.

Remember, remember the 5th of November

We will be talking to the children over the next few days about the safety of fireworks, sparklers and bonfires.

Stars of the week

Our stars of the week are
Arthur, Jed, George and Jack G.
Well done to you all.

Reading support

Thank you for your continued support with reading at home. We really appreciate your input into developing this lifelong skill and we hope that you have found the prompts at the front of the reading records helpful.
