History brought alive

Class 2 amazed parents and friends with their history performances at the castle last week. Every child prepared their own speech and performed in character with confidence and clarity. Maggie McWilliams brought some Roseland pupils who were full of praise for our children. Unfortunately I missed it as I was monitoring at one of the Aspire schools but I have been told that they were truly amazing and a credit to the school. Well done Class 2.

Halloween fun

A big thank you to the PTA for arranging the Halloween disco for the children. An amazing £130 was raised and the children had a great time.

Operation Encompass

We are now an Operation Encompass school. Please have a look on our website for more information (in the safeguarding section).
