## Safer Internet Day:

### # Free to be me - exploring identity online

This year, our focus was to explore how the children manage their online 'identity', and how the internet shapes how and what you think of yourself and others. As always, the children had a very informative discussion as well as discussing the uses of the internet, the rules to follow, the positive and negative side of the World Wide Web and the dangers to be aware of.

## Internet safety session for parents

Giles Hill, from Aspire has very kindly offered to lead an Internet Safety Session for parents on Monday 9th March at 6pm. This will be very informative on how to keep your children safe online and when using Social Media. We highly recommend your attendance.

## Tonne of tins

Tonne of Tins is back for 2020 and once again we would like to help support our food banks by donating tins! The campaign is across the whole of March, if you would like to contribute, please bring your tins to school throughout March. We will then weigh our tins and deliver to Pirate FM. Many thanks in advance for your support.

# London Residential for Year 4, 5 and 6
