14th February 2019

Dear Parents,

We are always striving to improve our school and value your opinions in order to help us improve. Attached are two questionnaires and we would be very grateful if you could complete them and return to school. One questionnaire (green) is for parents to complete and the other (yellow) is for your child/children to complete. If you have more than one child I would be grateful if they could complete one each. Some children may need help in reading and understanding the questions but please try not to influence their answers; we need to know their own opinion of the school.

Your opinions will form part of our SEF (Self Evaluation Form) which we use to evaluate our school and make improvements where necessary.

We would be grateful if you could return the questionnaires to school by Wednesday 27<sup>th</sup> February. Could we encourage you to complete the questionnaires because if we do not have a full return it makes the analysis very difficult as it does not give us an overall picture of everyone's view of the school. All questionnaires returned will be put into a draw on Thursday 28<sup>th</sup> February (1 for parents and 1 for the children) and there will be a prize for the 2 that are picked out!

We value your opinions as Stakeholders of St Mawes Primary School.

Yours sincerely,

K.Middlemore

Executive Headteacher
