Year 6 Welcome Day – transport information

Buses will allow access to Year 6 students on Welcome Day - Tuesday 27 June - with the usual caveats:-

- *We advise all parents to accompany their child to their nearest school bus stop, in case there are not enough spaces available - Year 11 students have left so in reality there should be spaces available on all routes, but there is no guarantee.*
- *If the vehicle becomes overloaded, students will not be able to travel due to safety considerations.*

Thank you
