

St Mawes CP School Sports Premium Grant 2015-16

The Government announced in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. We are committed to continue using this funding to develop high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all children as well as promote healthy lifestyle choices.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2013. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

‘Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this’ (DfE June 2013).

Total no of primary aged pupils between the ages of 5-11 (Year 1-6) April 2015 -39

Total amount of Sport Premium Grant received £8,195

We have split our areas for development into four key areas:

- Developing physical literacy
- Health and Wellbeing
- Expanding provision for a broad and diverse experience
- Development of workforce

We have decided to action the following:

Areas for development	Responsible person	Costing	Progress
<u>1.Developing Physical Literacy</u> Planning, delivery and assessment. Observation. Sharing expertise.	All staff to continue to be upskilled led by AA, KC and AP. Assessment wheel for Real P.E to be	KR training (Real Gym and Mid Cornwall Sports Network) Roseland cost for AA	AA has continued to work with staff to develop skills and confidence in teaching P.E. KC and AP both feel they have learnt from AA and are much more

	implemented.	Time to share assessment wheel training	confident in delivering sessions. Both AP and KC felt there were better options than the assessment wheel. AP has used a previous method which has been adapted to suit the scheme.
Train KS2 children for playground leaders	KC, AA and MW	Training for KS2 children and staff member to supervise	MW received training in implementing playground games and has been supporting years 5 and 6 in delivering these games three times a week at lunchtimes. The children are enjoying the games and the leaders are proactive in their role, spending time planning with MW
Explore sporting event opportunities for KS1	KC, AA	Time for KC	One event for KS1 was planned but due to other commitments we were unable to attend. KC has liaised with AA and this is an area for development in future.
Implement REAL Gym	KC	Training for KC	KC has received the relevant training for Real Gym and it has been implemented in school. The children are enjoying the sessions and the resources are well used. They particularly like the cards which have figures showing the movements. Observation of the children during lessons demonstrates progress in their skills. The children have also used the language from these sessions in other areas of the curriculum.
<u>2. Health and well being</u>			

St Mawes CP School Sports Premium Grant 2015-16

Healthy Schools Award	Whole school and community led by KC/PTA	Time for KC to complete audit	We have been successful in our application for Healthy Schools Status. We are now exploring where to make improvements to maintain our status. From the audit, an area for improvement could be yoga and relaxation methods.
Food for life Award Silver Award	Whole school and community led by KC	Time for KC to complete application	To gain silver in this area we had several new areas to meet. We had to move forward with our trial of using plates and phasing out flight trays. The new system has been in place since the second half of the Autumn term and is successful. Parents have attended a lunch session and are happy with the change. We will continue to use the plates. Our catering provider has the gold award already in place and we have involved the wider community in food themed events such as tea treats. To complete silver we need to introduce a cookery club using ingredients grown at school. We have invested in a variety of cooking utensils and a club will be available in the future.
Explore the impact of sports and physical exercise on well being (consider Hearty Lives)	KC/AP	Either AP or KC to find relevant course/training	KC has contacted Hearty Lives and is awaiting a response. As part of the Real PE scheme of work pupils are encouraged to think about teamwork, social skills and self-improvement. This links with the embedding of growth mindset and reflective practice that is

St Mawes CP School Sports Premium Grant 2015-16

			happening across the school for all areas of the curriculum.
<p><u>3. Expanding provision for a broad and diverse experience</u></p> <p>Evidence the range of offer and expansion plans. Clubs, curriculum, cluster etc.</p> <p>Collect data on participation. Cross check vulnerable groups.</p>	<p>Data collected by AP and KC, see analysis</p> <p>KC/AP/JH</p>	<p>Time to collect data at the end of school year and compare to last year</p> <p>Time to collect data at the end of school year and compare to last year.</p>	<p>Ongoing, data will be collected at the end of summer term.</p> <p>Ongoing, data will be collected at the end of summer term.</p>
<p><u>4. Developing the workforce</u></p> <p>CPD for staff. Teachers, Lunchtime staff, volunteers and coaches.</p> <p>Health of staff.</p>	<p>KM</p> <p>KM</p>	<p>Training/Time</p>	<p>MW has received training for playground leaders and KC has received training for Real Gym. We have provided funding for training for two coaches for the after school football club. Training opportunities for Real Gym key stage 2 have also been arranged.</p> <p>Staff have been provided with information in regards to the School Workforce Health and Wellbeing programme. This is an area for development as part of our Healthy Schools award.</p>

Sports premium planned spend 2015/16

Description	Budget	Spend to date – March 2016
Roseland Community College Partnership (Employment of AA to upskill staff, develop skills in P.E, arrange events and training)	£3,600	£3,600
Sports partnership (Membership to attend events and training across the county)	£100	£150
Resources and equipment (Improve resources to implement Real Gym, equipment for training/practise sessions for events)	£6,413	£3,875
Swimming instructors (Ensure all children achieve the minimum of 25m)		£750
Supply and training (Training in Real gym, cover for events)		£151
Cricket (Opportunity for in school event)	£150	
Sporting events		£150
Extra Funding	£210	
Total Expenditure	£10,473	£8,676

Impact Statement

During 2015-16 we have improved the quality of our P.E and sports provision with the support of Andy Ayre. Staff feel much more confident about the lessons they are delivering and the physical skills of the children have improved. Children are engaged in more physical clubs and we are still attending as many events as possible, achieving silver in the Roseland awards. New schemes such as Real Gym are well resourced as are the practise sessions for sporting events.

Exploring health and well-being through the Healthy Schools programme has had a huge impact on lunch times. Children report they are much happier with the environment and more time is being spent on games and exercise than in previous years. Snacks and lunch box contents are healthier after sessions on healthy eating and hidden sugars.

St Mawes CP School Sports Premium Grant 2015-16

We now have a shelter for sun safety and staff have received training for Relationship and Sex Education and Drugs and Alcohol, both of which helped us achieve Healthy Schools Status

The Future

Description	Budget	Income to date Jan		Extra Funding
PE Funding	£8,195	£8,195		£0
Balance brought forward	£1,797	£1,797		
Total income 2016/17	£9,992	£9,992		£0

For 2016-17 we have a carry forward of £1,797 with an expected sports premium grant of £8,195. Our future plans are to maintain our Healthy Schools status and achieve silver in Food for Life by improving our gardening facilities. This will mean we can introduce a healthy cooking club using products grown in school.

Children should be taking part in at least one hour of physical activity per day. We aim to improve resources in the playground by exploring the purchase of large building equipment that can be used for building, climbing, moving around and general obstacle courses. We would also like to purchase new storage trolleys so current equipment can be accessed more easily by the younger children but still withstand the elements. We are also exploring alternative sports opportunities by contacting local clubs and organisations for taster sessions and possible clubs.

We will continue to utilise the skills of Andy Ayre through our partnership with the Roseland as well as provide opportunities to attend as many events and festivals as possible.
