

Pupil premium 2011/12

The pupil premium for 2011/2012 was £860. During the academic year this was not enough to cover the pupils eligible for pupil premium so the school subsidised the short fall.

Intervention

The pupil premium was used to fund:

- Parent Support Advisor
- One to one tuition
- Booster lessons
- Individual TA support
- Small group work with TA

Impact

All pupils eligible for pupil premium made good or accelerated progress by the end of 2012.
