27th September 2019

Dear Parent/Guardian

St Mawes Dentist

Our local dentist in St Mawes has been allocated limited NHS dental funding until March 2020. They would like local children to be given the best start towards dental care and to help educate them about oral hygiene.

Please complete the slip below to be if you would be interested in us passing your details on to the St Mawes Dental practice who will then contact you to arrange a free appointment.

Kind regards

Kerry-Anne Crinks
