

What are our British Values?

- Equality - being aware that everyone is equal
- Freedom of speech - the right to voice our opinion
- Democracy - making decisions in a fair and democratic way by voting
- Law - respect for the law and how it protects us and keeps us safe
- Different faiths - accepting that other people have different religions or beliefs
- Discrimination - ensure we treat people of different faith, sex or religion in a fair way
- Tolerance - respect the views, opinions and feelings of others

At St Mawes School we think these British Values are important to ensure we all live in a fair and kind world
