Star of the week

Class One have had a very busy few weeks. We have been learning the story of the Lighthouse Keepers' Lunch and thought up a some of our own disgusting sandwich fillings. We have also been finding out about the history of the RNLI and the amazing people in the past such as Grace Darling and how she bravely helped her father to rescue 9 people. We have been acting out the rescue to help us remember the event.

We have also been learning to touch type and we have now mastered out home keys, great progress Class One!

progress Class One!

Class Two have started exploring their new topic "Victorian Britain", researching some important inventions of the time period. They have also been learning about an important landscape artist and spent some time outside sketching. They thought about perspective and how sketches are part of the early process of producing a final piece of artwork. They look forward to creating their own landscape paintings over the coming weeks.

As this week has been a very busy one with Year 6 SATs taking place, we thought it was the perfect opportunity to claim our prize from the Parish Council design competition and take a trip to The Hidden Cinema at St Mawes Hotel. Year 6 have worked so hard this week and show excellent dedication and resilience throughout their learning over the last few years to get them to this point. We are very proud of all of them - well done!
