## Star of the week

We would like to say **Well done** to our 3 children who collected their awards at Truro Cathedral last week for their academic attainment and their musical talent. We are so very proud of you.

## Class 1 News

We have enjoyed our half term break and come back to school with lots of enthusiasm. Class 1's topic is the Circle of Life and we have already been exploring the Amazon Rainforest as well as observing the changes in tadpoles in our tank.

Whilst most of Class 2 were away in Bristol the rest of the children joined us in Class 1 for a few days of art, investigation and teamwork. We have built bridges, floated pen drawings and been inspired by Vincent van Gogh and Andy Goldsworthy.

## Class 2 News

Children in Years 4, 5 and 6 had a fabulous few days in Bristol. They experienced many of the sites that Bristol has to offer and all came away tired but happy. The children showed great teamwork, compassion and understanding of others to ensure that every person was able to enjoy their time away and participate fully in every activity. Myself and Mrs Davison would like to express how proud we were of all our children who embraced every experience with positivity and ensured that they made the most of this wonderful opportunity. Take a look at the attachment to find out just how much we packed into three days. Mrs Martinez

What an action packed Summer Term so far!

All of the children have worked incredibly hard towards their end of year assessments. We are all so proud of them.

We have been making the most out of the beautiful weather and grounds by taking the learning outdoors. This has helped develop collaborative-working and communication skills, it provides positive health benefits both physically and mentally and develops reflective and inquisitive thinking.

I'm looking forward to hearing all about the residential to Bristol and I am excited about the plans for the rest of the children this term.

Thank you for your continued support. St Mawes is a wonderful school and it is a privilege to be Head of School. If you would like any more information about our curriculum or just want to pop in, please do!

Mrs Woodman

### Diary Dates

Monday 20<sup>th</sup> June – Class photos

Tuesday 21<sup>st</sup> June – Year 6 Transition Day to Roseland

Wednesday 6<sup>th</sup> July Sports Day (info to follow)

### CLUBS

Art & Craft club is a huge success but sadly, due to there not being enough children, we re having to cancel Gardening Club.

If you or your children have any suggestions of a club we could run you know your child would like please email Mrs Guest.
