Class 2 **Curriculum Overview**

Autumn 2021
The Tudors

The curriculum outlined in this leaflet is set out under the new National Curriculum Subject areas. You will notice that the curriculum is divided into year groups for some subjects now and there is a big emphasis on vocabulary, grammar and punctuation. However, our aim is to still try and link subject areas together and teach the children in a cross-curricular way, this makes the learning more meaningful. For example, the children may be doing a piece of art work which relates to a historical topic.
