Attendance

Attendance is 98.3% which is almost 6% up
From this month last year. **WELL DONE!!**

Class 1

This term we have been learning about the weather.
We wrote our own comic stories based on "The Sun and The
Wind" story. We also created a class book full of weather facts.
We learnt about the strange names clouds have and
painted stormy skies. We are hoping for windy
weather to fly our homemade kites.

Class Two have continued their learning about **ANCIENT GREECE**. They have learned about the clothes that people wore and what everyday life was like for people living during these times. They have also acted out their own scene from a Greek play and made Greek theatre masks for their characters. We will be exploring Greek diet and recipes in the next few weeks so watch out for some inspired food choices.
