Dear Parents and Carers,

As part of an Academy-wide initiative, St. Mawes School are keen to get children more active and have enrolled with a company called Les Mills. Les Mills have produced a programme called Born To Move which is an educational programme designed for schools to get children moving!

In order to fulfil our commitment to the company, and to ensure the programme is being taught correctly, I am seeking accreditation. This involves being filmed leading a group of KS1 children through the programme which lasts about 20 minutes. For this to be successful, it is required that I am filmed along with a group of children. The session will be filmed on a school iPad and will be emailed directly to the assessor who will delete the video once she has watched it. The film will also be deleted from the iPad once confirmation has been received that it is in the assessor's inbox.

I am therefore requesting permission for your child to participate in the filming of the assessment which is due to take place before half term. Please could you return the slip below indicating whether you are happy for your child to take part and please do contact me if you have any questions.

Thank you in advance

Claire Gabriele
