Parent/teacher consultations

We will be holding our parent/teacher consultations on Tuesday 24th March between 1.00pm - 6.00pm. These are vital meetings to share progress and your child's well being. Please ensure your slips are returned as soon as possible. Alternative arrangements can be made if the day offered is impossible for you.

Essential - Internet Safety for parents

Mr Giles Hill, from Aspire IT Department, will be holding a really important meeting for parents on Monday 9th March at 6.00pm. Technology is always moving forwards and pupils need to be guarded from the pitfalls — this session will give you up to date, practical information on how to safeguard your child.

Local police officers Special assembly

A big thank you to Jenny and James, our local police officers, who visited school this week to give the children a special assembly on how to keep themselves safe when using the internet. The children listened well and asked many relevant questions.

Mobile phones

Just a reminder that children are not allowed mobile phones in school. If you require your child to have one because of childcare/pickup contact, please ensure it is given to Mrs Guest and kept in the office until the end of day.

Stars of the week

Our stars of the week are
Zoe, Kaiden, Chloe and Charlie Rgs.
Well done to you all.

Please note that the Sleepover date has changed for Years 1&2 from the 3rd July to the 10th July due to the availability of planned activities.

Book characters galore

Wow! What amazing costumes. Thank you to everyone who made so much effort. Reading is such an important part of everyday life, it was so lovely to see characters come alive today and listen to the children talk about their favourite stories.
