24th September 2019

Dear Parent/Guardian

Cornwall Council has asked us to run a report on their behalf regarding Free School Meals. We need to supply every parent or guardian's date of birth and National Insurance Number to the council, regardless of whether your child claims Free School Meals or not.

I would be grateful if you could fill in the form below and return it to school as soon as possible so can send the information on to them.

Yours sincerely

Karen Middlemore
Executive Headteacher
