## Star of the week

In Class 1 we have finished this term with lots of Easter activities. We practiced our weaving skills to make Easter cards and little baskets in the hope the Easter Bunny visits before we break up. Enjoy the Easter break and we are looking forward to returning for a busy and hopefully sunny summer term.

Class Two kickstarted last week with another fantastic cooking session at The Victory Inn. Focused on local produce, the children selected ingredients to create their own mussel dish, thinking about which ingredients they liked and didn't like, which flavours would complement each other and what ingredients they hadn't tried before and wanted to sample. They practised chopping skills and then enjoyed dipping their bread into the sauce before sampling the mussels themselves.

Some of our children from Class 1 and 2 went to the Roseland Fun Fest. They enjoyed lots of different activities and had a great time. Well done to the children who attended and displayed superb behaviour.
